To whom it may concern:

This letter is in regards to the Idaho Select Basketball program.

As the Assistant Executive Director at the Boys and Girls Club, I work with hundreds of teenagers in the Treasure Valley. I can state confidently that the Idaho Select program is of the highest quality when it comes to the development of young men.

The Boys and Girls Club has worked with Idaho Select for several years. Over that time I have been able to see the growth of the program and the positive impact that the program has had on its kids.

I can say that I completely trust the staff at Idaho Select to do what they say they will do. Whether it is working with the kids or the way in which they treat the club's facilities, I know that they will strive to maintain their integrity at all costs. They work hard to remain in communication with the Boys and Girls Club and also volunteer their time to the club whenever they can. Idaho Select truly helps us make this a Positive Place for Kids!

In Service to Youth,

Kurt Alderman  
Assistant Executive Director  
Boys and Girls Clubs of Ada County
